About Chalet Patagonia ...

Much care and attention has been lavished on the renovation of this stunning chalet, which is just 100m from the La Clusaz ski slopes and 1.5km from the centre of La Clusaz, where you will find plenty of bars, shops and restaurants.

The stylish interior has been designed so that even when 12 people are staying at Chalet Patagonia, everyone can find some privacy when they want it. Skilled local craftsmen were used to make much of the furniture, and the fittings are all of the highest quality. This attention to detail, combined with the chalet's superb position close to the popular La Balme pistes, is sure to make your holiday very special.
